YOUR STUDY ABROAD PROGRAM

The International College of Management, Sydney (ICMS) offers a Sydney-based undergraduate and postgraduate study abroad program with credit transfer to your home institution.*

The ICMS Study Abroad program offers an exciting location for students who wish to stay and study in Australia's most beautiful beachside campus.

ICMS's comprehensive academic and social programs ensure that Study Abroad students experience the Australian lifestyle while learning at an internationally recognised institution.

STAY FOR UP TO 52 WEEKS

Choose to study at ICMS in Sydney, Australia for 1, 2 or 3 academic trimesters. Studying away from home is your chance to immerse yourself in a new culture, expand your horizons, make new friends and create memories that will last a lifetime.

GET WORK EXPERIENCE

If you pick the Study Abroad program with Work Integrated Learning (WIL) subjects, you will get to live and intern in Sydney - and our team will organise it all for you! This means you'll get international work experience and exposure to multinational and cross-cultural real-world work environments.

LIVE THE CASTLE LIFE

Live and study at Manly's "Castle on the Hill" - our beautiful beachside campus overlooking 'the best beach in Australia' as voted by TripAdvisor two years running.

EXPLORE AUSTRALIA

Australia is one of the safest, friendliest and most diverse of the English language countries, with a well-regarded and respected education system. This makes Australia a great choice for students from around the world. Spend your term breaks exploring Sydney or travelling Australia.

EARN WHILE YOU LEARN

Take advantage of Australia's student visa working entitlements and earn your spending money by working part-time whilst in Australia.

STUDENT SUPPORT SERVICES

Our experienced academic staff and Student Success Centre (SSC) advisors are available to provide learning support throughout your time at ICMS. The SSC also offers confidential guidance and support on all wellbeing-related issues including physical and emotional health.

PROFESSIONAL ENVIRONMENT

ICMS equips students with the self discipline they will need when they start their careers; whether it be in the way they dress or the way they communicate. Students must bring a business suit with them to wear in class.

INTERNATIONAL CULTURAL IMMERSION PROGRAM*

Join us for our International Cultural Immersion Program before you head to ICMS for O-Week.

The program is an in-country orientation which welcomes you to your host country. It helps you adjust to the academic and cultural differences you might encounter, introduces you to other Study Abroad students who will be attending ICMS, and exposes you to a beautiful and exciting area of Australia.

The program provides a unique educational aspect to your Study Abroad experience and it will prepare you for new adventures and lifelong memories. Session topics include culture, health and safety, the Australian education system, cultural adjustment and living in Australia.

SEE AUSTRALIA

They say that travel broadens the mind. If you study while you travel, that's certainly the case. ICMS provides the complete experience.

LIVING IN SYDNEY

Sydney is the state capital of New South Wales. This spectacular city of more than 5 million people is widely regarded as one of the world's most liveable cities. An extremely pleasant climate helps; even in mid-winter, temperatures rarely fall below 50°F (10°C), and while mid summer temperatures can occasionally top 97°F (36°C), the average is around 82°F (28°C). Remember though, that southern hemisphere seasons are opposite to the northern hemisphere.

WHAT A LOCATION

The ICMS campus will take your breath away. Housed in a magnificent heritage listed building with more than 100 years of educational history behind it, ICMS overlooks Sydney's famous Manly Beach and boasts 20 hectares of parkland.

This safe and peaceful environment for study is just a few minutes walk from Sydney's magnificent harbour, and the city itself can be reached in 17 minutes by fast ferry.

TRULY INTERNATIONAL

ICMS has over 2,000 students from over 50 countries around the world, offering not just a study experience, but a cultural experience too. Study Abroad students come from as far and wide as the USA, Mexico, Germany, Brazil, Switzerland, Sweden and Norway.

A LIFE EXPERIENCE

Naturally, you will want to do and see as much as you can while you're in Australia. Here are a few activities you might like to consider:

- Walks to nearby Manly, Shelly and Collins Beaches
- Surfing

- Beach volleyball
- Scuba diving
- Day trips to the Blue Mountains and Hunter Valley
- Sailing on Sydney Harbour
- Sports afternoons on campus
- Sydney city sights tours such as the Opera House
- Harbour Bridge climb
- See Australian animals at Taronga Zoo

VISA REQUIREMENTS

All Study Abroad students need an Australian student visa to enter Australia. For more information about visa requirements and processing, go to studyinaustralia.gov.au. Please note that visa processing time may vary.

HEALTH INSURANCE

International students are required to have health insurance during their stay in Australia. ICMS will help you arrange your Overseas Student Health Cover (OSHC). OSHC contributes to the costs of doctors' fees, specialists, ambulance, prescription medicines and emergency treatment (Norwegian students do not need OSHC as cover is provided by their national health schemes).

WORKING IN AUSTRALIA

Study Abroad students may work in Australia while they are studying, as per visa conditions. A part-time or casual job could help to finance living expenses and travel. In Manly, as well as in Sydney, there are many job opportunities for students.

ACCOMMODATION

As a Study Abroad student, you can choose between on-campus or off-campus accommodation. On-campus accommodation includes all meals. For more details, go to icms.edu.au/accommodation. Off-campus accommodation includes shared houses or apartments, or private board.

WORK INTEGRATED LEARNING (WIL)

Study Abroad students can choose to gain work experience in Australia as part of their program. By choosing the Study Abroad 1 program with Work Integrated Learning (WIL) subjects, you will be able to undertake an industry training period (internship) in a leading Australian business, organised for you by the ICMS WIL team.

Your WIL subjects give you a unique opportunity to:

- Prepare for your future career in your chosen field of study
- Gain international business experience
- Develop strong global professional and career networks
- Demonstrate and further develop your real-world employability
- Explore your chosen industry to best inform your future career decisions

Undergraduate and postgraduate students alike will benefit from a placement with some of the most respected companies in Australia.
