

International Course Guide 2024

Welcome to our community

Professor Amit Chakma Vice-Chancellor

We're delighted you are considering embarking on the next stage of your education journey with us.

At UWA, our role is to give you the knowledge and skills so that you can achieve your goals - whatever they may be. Through our courses you'll learn from passionate leaders who will inspire you to achieve your best and equip you for global success in a world where knowledge is the universal currency.

We offer an immersive curriculum, which in partnership with industry provides you with an array of practical learning opportunities. Our approach will ensure you enter the workforce with real-work experiences, ready to solve the world's greatest challenges.

I'm proud to say that UWA is an inclusive and multicultural community that embraces and values a diversity of backgrounds. We also have a reputation and vision for leading positive change, both here and internationally.

You'll find your time here thoughtprovoking and stimulating, and when you graduate from UWA you'll have made lifelong friends, precious memories, and have a sense of purpose and enquiry that will empower you to make a difference.

We look forward to welcoming you to our community and supporting you in shaping your future career goals.

Perth - a city of opportunity

By choosing UWA you're not just choosing a world top 100 university (QS 2023) and a globally recognised degree, you're also choosing to live in a city that's the perfect base for study – and for launching your career when you graduate.

Perth is a city full of cultural diversity and urban sophistication with a thriving social scene. Plenty of festivals, eateries, modern bars and weekend markets add flavour to the city and its suburbs.

uwa.edu.au/study/perth

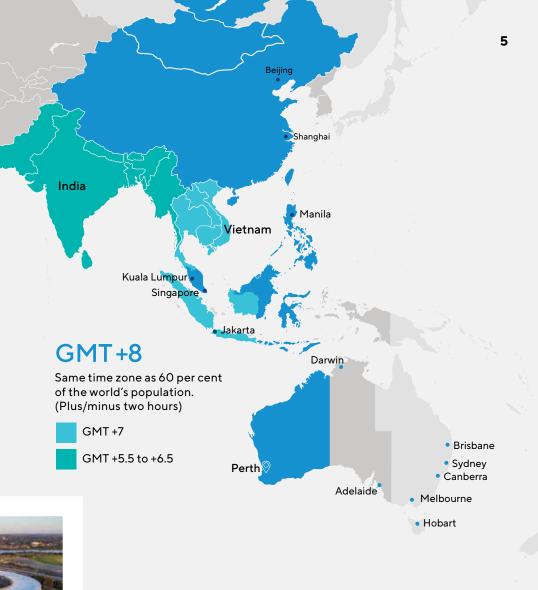

WESTERN AUSTRALIA IS ONE OF THE BEST PERFORMING ECONOMIES IN THE WORLD (WA STATE BUDGET 2022-23)

PERTH IS A MULTICULTURAL HUB WITH 37% OF OUR POPULATION BORN OVERSEAS FROM OVER 190 COUNTRIES (THINKPERTH 2019)

WARM MEDITERRANEAN CLIMATE

SUMMER: DECEMBER-FEBRUARY

AUTUMN: MARCH-MAY WINTER: JUNE-AUGUST

SPRING: SEPTEMBER-NOVEMBER

AVERAGE WEEKLY INCOMES IN PERTH ARE 9% ABOVE THE NATIONAL AVERAGE

(AUSTRALIAN BUREAU OF STATISTICS 2022)

PERTH IS ONE OF THE WORLD'S MOST LIVEABLE CITIES

(ECONOMIST INTELLIGENCE UNIT 2022)

PERTH IS AUSTRALIA'S
4TH-LARGEST CITY

PERTH IS ONE OF AUSTRALIA'S MOST AFFORDABLE CAPITAL CITIES

(COMPARATIVE ANALYSIS OF COST OF LIVING, DELOITTE ACCESS ECONOMICS JULY 2022)

UP TO 6 YEARS POST STUDY WORK VISA IN PERTH*
(DEPARTMENT OF HOME AFFAIRS 2022)

Rottnest is just a short ferry ride from Perth and makes for a perfect day trip. With 63 stunning beaches and coral reefs to explore, jump on a bike and experience the island. Be sure to look out for the island's unique wildlife including the world famous quokka.

Fremantle

The vibrant city of Fremantle is 30 minutes by train from Perth city. Discover a mix of Australian maritime, convict and colonial history alongside buzzing markets, lively bars and casual street cafés giving you a taste of 21st century life with the locals.

(FORBES 2022)

Northbridge

Northbridge is home to Perth's Cultural Precinct. Visit one of the free museums or art galleries, watch a performance at the State Theatre Centre of Western Australia, and indulge in food from around the world at one of the many cafés and restaurants. At night, Northbridge comes alive with the bar and club scene.

IMAGE CREDIT: TOURISM WESTERN AUSTRALIA

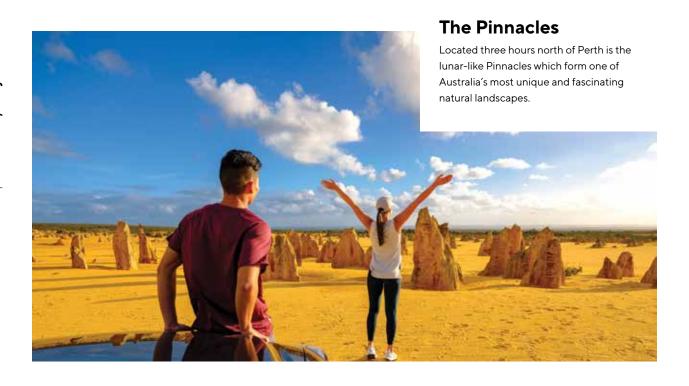

Located across from UWA and next to the Perth city is Kings Park. Larger than Manhattan's Central Park, Kings Park offers spectacular views over the city and Swan River. Explore the park's Botanic Gardens, walk the suspended bridge over the tree tops, or watch a movie under the stars in the outdoor cinema.

IMAGE CREDIT: STUDYPERTH

Explore Western Australia

Cable Beach

Broome's Cable Beach is justifiably world famous for its 22 kilometres of sun-kissed white sand, turquoise water and spectacular Indian Ocean sunsets. But what really gives it a top spot on the must-do list is the experience of taking in all its tropical splendour from the seat of a camel train.

IMAGE CREDIT: WESTERNAUSTRALIA.COM

Ningaloo Reef

The World Heritage listed Ningaloo Reef is internationally recognised as one of the planet's last great ocean paradises. Swim with the world's biggest fish, the whale shark or join an eco-adventure tour to view a huge variety of marine wildlife including sea turtles, humpback whales, orcas (killer whales), dugong, manta rays, reef sharks and much more!

A vibrant campus

UWA's main campus is located on the picturesque banks of the Swan River (Derbarl Yerrigan), just minutes from Perth city.

Featuring expansive green spaces, cafés and shops, as well as a multitude of modern teaching and research facilities, our campus provides you with a world-class learning environment.

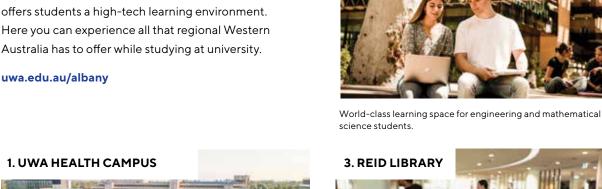

See the campus for yourself through our online virtual tour: uwa.edu.au/360-campus-tour

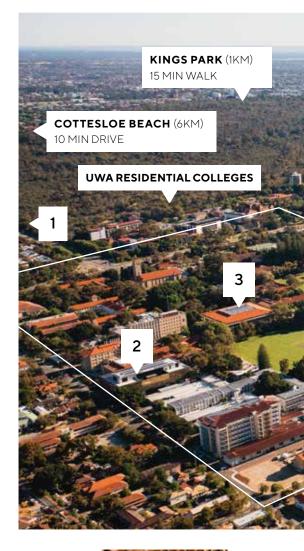

UWA's Albany Centre

Located five hours' drive from Perth, the Albany Centre offers students a high-tech learning environment. Here you can experience all that regional Western Australia has to offer while studying at university.

Specialist teaching and learning facilities for health and medical students.

Extensive study spaces and convenient facilities at the heart of the Perth campus.

Thriving centre for world-class research and teaching, with advanced labs on every level.

Popular social gathering spot right opposite the UWA campus.

An Indigenous knowledge gateway housing the School of Indigenous Studies.

One of the premier business schools in the Indo-Pacific region offering a world-class trading room and training facility for students.

AGRICULTURAL SCIENCES

BIOLOGICAL SCIENCES

Western Australia's #1 university for graduate employability (QS 2022) will help you successfully navigate your career journey.

Getting a job at the end of your degree will likely be your top priority. At UWA, we've made it our top priority too, offering a wide range of degrees and programs to help you stand out in the job market and increase your employability. All our degrees include the option to take internships or Work Integrated Learning units, and along with mentoring and volunteering opportunities, these can enhance your standing in your future employers' eyes.

Career Mentor Link

Be matched with professionals and get insider industry knowledge from people with real career experience.

UWA Innovation Academy

Work with real companies to tackle the biggest challenges facing business, governments and society today.

McCusker Centre for Citizenship

An award-winning internship program, making a difference in our communities locally, nationally and globally.

Careers Centre

Understand and engage with your chosen industry, enhance your employability skills, find work and internships, and nail your résumé and interview.

Practicums and Field Trips

Practical units with workplace and fieldwork placements across WA, Australia and even overseas.

Bloom W

A creative lab to turn your big business or community ideas into a startup, all credited towards your degree.

Career and Employability Award

Practical real-world experiences, skills and knowledge to guide you on an enriching career journey.

Work Integrated Learning (WIL)

Gain industry knowledge, develop career-ready skills, and network with industry professionals as part of your course or as a co-curricular activity.

Volunteering

Make an impact and get involved, developing skills and experience that stand out on your résumé and final transcript.

To find out more about how we can prepare you for your dream career, from first job to long-term goals, visit **uwa.edu.au/graduate-career-ready**

Compared to other major cities around the world, living and studying in Perth is a smart decision for international students.

Working in Australia as an international student

Under the terms of a student visa, once you have commenced your course as an international student, you can work up to 40 hours per fortnight while your course is in session and unlimited hours during scheduled course breaks.

homeaffairs.gov.au

Accommodation and other expenses

Perth is one of Australia's most affordable capital cities. The annual cost of living in Perth depends on your lifestyle and the type of accommodation you choose. Consider extra funds to cover various items such as airfares and textbooks. There may also be ancillary fees applicable to your course.

Accommodation	Cost per week (AUD\$)1
Hostels and Guesthouses	\$90 to \$150
Shared Rental	\$95 to \$215
On campus	\$385 to \$518 ²
Homestay	\$235 to \$325
Rental	\$185 to \$440

Other living expenses	Cost per week (AUD\$)1
Groceries and eating out	\$140 to \$280
Gas and electricity	\$10 to \$20
Phone and Internet	\$15 to \$30
Public transport	\$30 to \$60
Car (after purchase)	\$150 to \$260
Entertainment	\$80 to \$150

40% discount on public transport

As an international student in Perth, you receive a Western Australian Government-sponsored 40 per cent discount on all public transport. Hop on the free Purple CAT bus which will travel from Elizabeth Quay Bus Station to UWA.

Student Services and Amenities Fee (SSAF)

The Student Services and Amenities Fee (SSAF) is a compulsory fee charged each semester/trimester to all enrolled students. Funds from the SSAF go towards enhancing the student experience and improving the in-person and online services available to you.

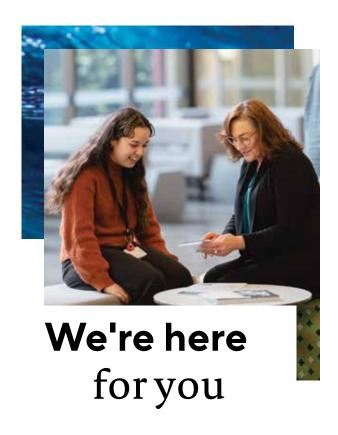

uwa.edu.au/students/ssaf

Overseas Student Health Cover (OSHC)

The Australian Government's Department of Home Affairs requires all international students applying for a student visa to have Overseas Student Health Cover (OSHC) for the entire duration of their student visa.

UWA has a 'preferred provider' agreement with Medibank. On acceptance and payment of your first tuition amount and OSHC, UWA will arrange health cover with Medibank for the anticipated length of your student visa. However, OSHC is offered by a number of providers so you also have the option of choosing a different provider. Be sure to check the level of coverage you'll receive under their policies, and understand what is and isn't covered.

uwa.edu.au/study/health-requirements

You'll have plenty of support and help when you get to UWA. Here are just a few of the services we offer.

Unilife

Getting started

Take part in orientation activities, receive mentoring from an experienced student (UniMentor) and support from the UWA team to help you settle into university life.

Course advice

Advice on study plans, enrolment, scholarships, studying abroad, extracurricular activities and more.

Academic support

One-on-one support, study skills workshops (STUDYSmarter), extensive online resources and more.

International student support

Our dedicated support services will help you settle into Western Australia and UWA life.

UWA Student Guild

Run by students, for students, to make sure you have the best university experience possible.

Support

Disability support

Perform at your academic best with support for any disability, whether a physical or mental health condition. UWA can help, no matter if your condition is ongoing, temporary or episodic.

Health and wellbeing

Confidential medical, welfare and mental-health support with a variety of specialist services and a pharmacy on campus. If you're looking for a doctor or GP, there's a Medical Centre on campus, as well as counsellors, mental health nurses, psychologists, physiotherapists and more.

Mental health

If you're feeling worried, stressed or upset, reach out for support by dropping into The Living Room for a chat. You don't need to make an appointment - there's always someone available to listen and help.

Safety

A security team is on campus 24/7 and is available to walk you to your car, bus stop or UWA accommodation after hours.

Preparing and planning

Career support

Personalised career advice, industry mentoring, online resources, networking events, workshops and more.

Childcare services

Available for children aged six weeks to five years, plus after school and vacation care for primary school-aged children.

uwa.edu.au/students

UWA is more than a university - it's your community, with places to eat, drink and shop, stay active, discover incredible art and relax.

Accommodation

UWA accommodation is an easy walk to uni, cafés and shops, and a short bus ride to the city and beaches.

Arts and culture

Visit our on-campus art gallery, explore museums and enjoy live music.

Events

Enjoy fun social events, industry networking, workshops and more.

Extracurricular courses and programs

Learn skills and advance your career through free courses and access to our industry partners.

Food and drink

There's a range of cafés and food outlets on campus and in the neighbourhood.

Our many libraries feature high-tech facilities, learning spaces and virtual assistance options.

Spirituality and faith

UWA welcomes students with diverse cultural and spiritual backgrounds.

Sport and fitness

Get active with our state-of-the-art gym, swimming pool, fitness courses, social sports and more.

UWA Advance badges and activities

Be recognised for participating in and completing approved co-curricular activities across a diverse range of categories with a digital badge that you can use on your résumé or LinkedIn.

Student clubs and societies

Share your passion or try something new at one of more than 160 clubs and societies.

Volunteering

Support a cause, organisation, charity or group, on or off campus.

Student Exchange

Abroad program

Explore the world without taking a gap year or time out from your degree.

140+ STUDENT-EXCHANGEPARTNER UNIVERSITIES

30 COUNTRIES TO EXPLORE ACROSS FIVE CONTINENTS

Accommodation at UWA

There are many options for quality accommodation close to the UWA campus. Explore a range of options, all located within close proximity to the campus, cafés, shops and the city.

uwa.edu.au/study/student-life/accommodation

UWA Residential Colleges

Make the most of your time at UWA and enjoy an amazing, fully inclusive lifestyle. Our five residential colleges are located directly opposite UWA, so you can sleep in and still make it to class on time!

As well as your own secure, fully furnished room, you'll get:

- meals (depending on college/room type), cleaning, utilities, internet and more included in your fees
- an action-packed calendar of events, activities and programs
- · plenty of spaces in which to study, relax or be active
- an extensive range of personal and career development opportunities
- 24/7 support, whether you need help with study or just someone to talk to
- · lifelong friends from all over the world

How to apply

- 1. Research the UWA residential college accommodation websites to decide which suits you best.
- Once you have submitted your application, you will receive an automatic reply to inform you of your application progress and an estimate on when you'll hear back from your first preference college.
- 3. You'll be contacted directly by your first-preference college within two weeks.

Applications open approximately 12 months in advance. We recommend applying as early as possible - you don't have to wait until you receive an offer from UWA.

Find out more: uwa.edu.au/colleges
Apply now: livingoncampus.uwa.edu.au
Contact us: residentialcolleges@uwa.edu.au
Fees: uwa.edu.au/study/live-on-campus/fees

Overview of 2023 Residential College fees and charges¹

	Weekly Fee (AUD)	Room Type	Meals Included
St Catherine's College	\$517	Premium Single Room	21 meals per week

UWA Accommodation

The UWA Accommodation Office can provide advice and information in regards to finding long and short-term accommodation both on and off campus.

uwa.edu.au/accommodation accommodation@uwa.edu.au +61 8 9488 0500

Living off campus

Prefer to live more independently? UWA owns a range of apartments, units and houses a short walk from campus.

Perfect for undergraduate and postgraduate students, as well as students with families, they're part-furnished, and maintained by UWA's property management team. Rental contracts run for six or 12 months with the option to renew and stay longer.

As a guide, the rent for an unfurnished one or two-bedroom unit close to UWA is AUD\$260-\$500 per week (plus ongoing costs such as power, water, telephone and food).

uwa.edu.au/student-life/crawley-village-housing

Perth city student accommodation

Campus Perth, The Boulevard (by Yugo) and The Switch are student accommodation properties endorsed by UWA. Both are located in the social and cultural hub of Northbridge, close to public transport for easy access to UWA. Shared and single room options are available; rates start from AUD\$279 per week*.

uwa.edu.au/student-life/cbd-accommodation

UWA Hosted Accommodation**

We've partnered with Australian Homestay Network (AHN), to provide students with the opportunity to have a seamless transition by living with a local Perth family while adjusting to university life and a new city.

With UWA Hosted Accommodation you'll get more than just a room for rent; you'll get a rewarding experience, lifelong connections, and a warm welcome to Perth.

Wonil Hotel Perth -Handwritten Collection

Sitting on the banks of the Swan River, the intimate Wonil Hotel Perth offers a variety of spacious accommodation options.

@WonilHotelPerth

*Based on 2022 Campus Perth rates, subject to room type and availability. **To be confirmed for 2024.

UWA's immersive curriculum and global network prepares you for the ever-changing world outside your degree. You'll gain industry connections even before you graduate, and kick-start a successful career.

Undergraduate degree types

Seeking your first university degree? Our undergraduate courses allow you to start your journey to a fulfilling career.

Comprehensive bachelor's degrees

Design your own course with our comprehensive bachelor's degrees.

Choose one or two majors from a wide range, then add electives and/or a minor to suit your interests and career goals. Explore your interests with the flexibility to change your mind - choose your major(s) when you enrol and if you'd like to change during your degree you can.

Specialised bachelor's degrees

Prepare for your dream career with a specialised bachelor's degree.

You'll take an extended major with a carefully designed study plan to give you in-depth knowledge of your chosen career or profession. You can complement this with a minor or electives from almost any study area.

Combined bachelor's degrees

Pursue your passions and maximise your career options with our combined bachelor's degrees.

You'll complete two bachelor's degrees - one comprehensive (where you'll choose a major from a wide range of options) and one specialised (where you'll take a defined study plan).

Honours

Improve your career prospects or take a path to further study with an honours course.

Honours is a one-year program you can apply for after completing your bachelor's degree with strong academic performance in your major. An honours year includes advanced coursework and a major research or creative project.

We also offer some integrated honours courses. These four-year courses also include advanced coursework and a major research or creative project in your final year.

Find the course that's right for you

For more information visit **uwa.edu.au/study/our-courses-explained**

What makes up a bachelor's degree?

Majors

You'll take at least one major - a sequence of units that will give you in-depth knowledge in your chosen degree. We offer a wide range of majors (which typically make up at least one-third of your course) and extended majors (up to two-thirds of your course) within our bachelor's degrees. Depending on the course, you may be able to take more than one major.

Minors

You also have the option to choose a minor (or two, depending on your course structure). Minors are shorter sequences of four units that allow you to gain knowledge in an area that may complement your major(s), suit your career goals or simply be of personal interest.

Other units

The rest of your study plan will be filled by different kinds of units (depending on your chosen course and major[s]).

- Foundation units: Required units (in certain courses)
 that give you broad grounding and key skills in your
 chosen degree area, irrespective of your choice
 of major(s).
- Bridging units: If you don't have the required ATAR subject or equivalent for your chosen major, you can usually take these additional units in your first year as part of the major.
- Elective units: Elective units provide you with the
 opportunity to explore a range of interests and new
 disciplines. If you have space for elective units you
 can choose (almost!) anything you like to expand your
 knowledge in a new field, provided that you meet the
 unit rules.

Postgraduate pathways

Our packaged undergraduate and postgraduate degrees provide the knowledge and networks for career success.

If you don't achieve the entry requirements (or equivalent) to secure your place on a postgraduate pathway, you can still apply for your chosen postgraduate degree after your bachelor's degree.

Assured pathways

Secure a guaranteed place in one of our high-demand postgraduate courses before you start your bachelor's degree – and perhaps even complete your postgraduate degree sooner. Offers are based on your high school performance (or equivalent) and satisfactory results in your bachelor's degree.

Combined bachelor's and master's degrees

Complete two degrees in as little as four years. An express path to your postgraduate qualification, it begins with advanced postgraduate-level studies in the third year of your bachelor's degree.

Example study plan - Comprehensive bachelor's degree with 1 major and 1 minor

1ST YEAR	SEM 1	Major	Minor	Elective	Elective
	SEM 2	Major	Minor	Elective	Elective
2ND YEAR	SEM 1	Major	Minor	Elective	Elective
	SEM 2	Major	Minor	Elective	Elective
3RD YEAR	SEM 1	Major	Major	Elective	Elective
	SEM 2	Major	Major	Elective	Elective

TYPE OF COURSE	CHOOSE THIS TO	OUTCOMES AND BENEFITS				
Micro-credentials	focus on skills that are in high demand by employers and industry.	 Update, upskill or reskill Complete a one-off micro-credential or stack them up Convert into credit towards an undergraduate or postgraduate course 				
Graduate certificates	study a short course to develop an existing skillset or get started in a new one.	 Develop your practical skills in as little as 6 months Offers progression from a graduate certificate to a graduate diploma 				
Graduate diploma	return to study when you don't have the time required for a master's degree.	 Hone in on a specific area of interest and become a specialist in that field Offers progression from a graduate diploma to a master's degree by coursework 				
Master's	advance your career prospects and stand out in your profession.	 Gain specialist knowledge of an area of professional practice Improve your career prospects 				
Master's by Research and PhDs	explore your passion or follow your interest in an area of research.	 A unique opportunity to explore your passion or follow your interest Learn alongside globally renowned experts 				
Doctorate	contribute to the knowledge base of your chosen profession.	Be at the pinnacle of expertise – the highest achievement of your chosen profession				

UWA offers a wide range of courses in 11 broad areas of study. Perhaps you already have a subject you're passionate about and that matches your career plans, or maybe you're still deciding - here are some ideas to help you choose the best course for you and your career goals.

Architecture and Design

Study architecture, landscape architecture or urban design to create the built environment for a vital and sustainable future. In this field, creative and strategic thinking come together.

uwa.edu.au/study/areas/architecture-design

Business and Commerce

Develop your business acumen, grow expert knowledge, work on real business case studies and undertake internships and practical projects to prepare you for a fulfilling career in industry, government or not-for-profit sectors.

uwa.edu.au/study/areas/business-commerce

Data and Computer Science

Through interpreting the data and computer science behind technological advances, you can help create and develop methods to improve everyday lives. Gain the knowledge and expertise needed for an exciting career in the world of information and technology.

uwa.edu.au/study/areas/data-computer-science

International Course Guide 2024 | uwa.edu.au/study

Education

Ignite your passion to teach and inspire a love of learning in others. Qualify for a highly rewarding career as an educator or explore the options for experienced teachers, policymakers, consultants and leaders who seek to deepen their knowledge, contribute to the profession and advance their career.

uwa.edu.au/study/areas/education

Engineering

Engineering helps shape our world in so many ways, from providing clean drinking water and sustainable infrastructure to designing large coastal protection systems or tiny electronic devices to improve health outcomes. Engineering allows you to explore how things work and brings to life new creations and designs, enabling a better society for all.

Scan me

uwa.edu.au/study/areas/engineering

Health and Biomedical Sciences

If you're passionate about advancing the health and wellbeing of communities, join a university that plays an important role in delivering knowledge and discoveries to guarantee our healthy futures.

uwa.edu.au/study/areas/health-biomedical-sciences

Humanities and Social Sciences

By studying Humanities and Social Sciences, you'll gain a critical understanding of how society shapes, and is shaped by, culture, politics, geography, economics, media, history, language, the environment and more. You'll develop the knowledge and skills to define complex problems, and identify and design solutions, while being supported in your passion to drive and implement change.

uwa.edu.au/study/areas/humanities-social-sciences

Law

Our UWA Law School provides the highest quality, world-class legal education, equipping the next generation of lawyers with the knowledge and skills necessary to become the lawyers they want to be and that the world needs.

uwa.edu.au/study/areas/law

Music and Fine Arts

Release your full creative potential and set yourself up for a future fuelled by imagination and innovation. Whether you see yourself as a performer, curator, director or other artistic professional, immerse yourself in your area of expertise and become part of the creative economy.

Scan me

uwa.edu.au/study/areas/music-fine-arts

Natural and Physical Sciences

Delve into a wide range of disciplines including agriculture and environment, biology and chemistry, earth and oceans, physics and mathematics. From agribusiness to zoology, discover the importance of science through a deeper understanding of the world we live in, and by developing innovative solutions that tackle global challenges to advance humanity.

uwa.edu.au/study/areas/natural-physical-sciences

Psychology

Psychology is a fascinating and diverse area of study that explores the human experience and touches upon many aspects of daily life. It seeks to answer questions about how and why we behave the way we do. A degree in psychology will help you develop a scientific understanding of human thoughts and behaviours, the processes underlying these and the relationship of these processes to the brain.

"The course at UWA offers a great mix of everything to become a successful data scientist, with the flexibility to specialise through electives. The highlight of the course for me was my Data Science Research Project on characterising urban attractor hubs using Transperth ticketing logs. My supervisor was an amazing mentor. Outside of the classroom, my time as a volunteer at Robogals and as a postgrad student representative at the PMC education committee are on top of my list."

PRATHYUSHA SANGAM

COURSE	FULL-TIME (YEARS)	DELIVERY MODE	INTAKE	COURSE CODES
SPECIALISED DEGREES				
Bachelor of Engineering (Honours) - Mining Engineering (Extended Major) Prepare for a successful career in mining engineering and benefit from industry-guided, hands-on experience with innovative new technologies. uwa.edu.au/study/mining-engineering	4	±	FEB, JUL	UWA BH011 UWA MJD-EMINE CRICOS 106081B
Bachelor of Engineering (Honours) - Software Engineering (Extended Major) Discover the latest technologies used for the design, development, testing, maintenance and evaluation of complex software systems. You'll also learn about advanced topics in mobile computing, cloud computing and artificial intelligence. uwa.edu.au/study/software-engineering	4	•	FEB, JUL	UWA BH011 UWA MJD-ESOFT CRICOS 106081B
COMBINED BACHELOR'S DEGREES				
Bachelor of Engineering (Honours) and Bachelor of Arts Maximise your career options as an industry-ready engineer with transferable communication and critical thinking skills, with our combined degree in Engineering and Arts. In just five years, you can graduate as a professional engineer with your Bachelor of Engineering (Honours) and a Bachelor of Arts. uwa.edu.au/study/bb/engineering-and-arts	5**	•	FEB, JUL	UWA CB034 CRICOS - to be confirmed ³
Bachelor of Engineering (Honours) and Bachelor of Commerce Pair your engineering degree with your interest in business, finance, economics, and the corporate world to give you an edge in a rapidly changing workforce. uwa.edu.au/study/bb/engineering-and-commerce	5**	2 +	FEB, JUL	UWA CB006 CRICOS 106082A
Bachelor of Engineering (Honours) and Bachelor of Modern Languages This combined degree option allows you to pair your engineering degree with a major and minor selected from eight languages, including Chinese, French, German, Indonesian, Italian, Japanese, Korean and Spanish studies, giving you the edge in the global jobs market. uwa.edu.au/study/bb/engineering-and-modern-languages	5.25**	•	FEB, JUL	UWA CB030 CRICOS - to be confirmed ³
Bachelor of Engineering (Honours) and Bachelor of Philosophy (Honours) Graduate as an industry-ready engineer with two Honours degrees and set yourself up for an exciting and varied career pairing engineering and another passion. uwa.edu.au/study/bb/engineering-and-philosophy	5.5-6.5	*	FEB, JUL	UWA CB014 CRICOS 107848G
Bachelor of Engineering (Honours) and Bachelor of Science Take your career prospects to the next level as an industry-ready engineer with the additional expertise to lead innovation in the sciences. The combination of engineering and science opens a world of possible career paths, while broadening your knowledge, networks and horizons. uwa.edu.au/study/bb/engineering-and-science	5**	•	FEB, JUL	UWA CB004 CRICOS 106083M

		DURATION		-	
COURSE	COURSE TYPE	FULL-TIME (YEARS)	DELIVERY MODE	INTAKE	
Graduate Certificate in Tailings Management Upskill your knowledge of mine tailings management and engineering solutions with industry-focused, online learning with our formally recognised qualification in tailings management.	GC	NA	P	A	
uwa.edu.au/study/gc/tailings-management					
Master of Geotechnics for Offshore Wind Energy This course is for Civil Engineers looking to kickstart their specialisation in offshore geotechnical design for offshore wind energy developments.	C+D	1	<u> </u>	JUL	
uwa.edu.au/study/m/geotechnics-for-offshore-wind-energy					
Master of Ocean Leadership Develop the skills needed to work in a range of marine-related fields to strategically address human challenges in ocean systems.	С	2	•	FEB, JUL	
uwa.edu.au/study/m/ocean-leadership					
Master of Offshore and Coastal Engineering Challenge yourself with Australia's only Master of Offshore Coastal Engineering while gaining a unique experience at UWA.	С	1-2	*	FEB, JUL	
uwa.edu.au/study/m/offshore-and-coastal-engineering					
Master of Professional Engineering Specialise in one of eight engineering disciplines and become a professionally accredited engineer who is highly sought after by industry.	С	2-3	*	FEB, JUL	
uwa.edu.au/study/m/professional-engineering					
Master of Renewable and Future Energy Gain industry-relevant advanced knowledge for a career in renewable energy technologies.	С	1.5-2	•	FEB, JUL	
uwa.edu.au/study/m/renewable-future-energy					

"UWA taught me how to network, engage and collaborate with different types of people. These skills have been invaluable with the work I'm doing now."

	DURATION			
COURSE	FULL- TIME (YEARS)	DELIVERY MODE	INTAKE	COURSE CODES
COMPREHENSIVE DEGREES				
Bachelor of Biomedical Science The Bachelor of Biomedical Science is an exciting undergraduate degree designed to meet global demand for graduates with health expertise. Specialise in one or two of the 12 majors available.	3	*	FEB, JUL	UWA BP006 CRICOS 095001B
uwa.edu.au/study/bachelor-of-biomedical-science				
Bachelor of Biomedical Science - Aboriginal Health and Wellbeing You'll be given a broad introduction to Aboriginal health and wellbeing from an Aboriginal perspective and an understanding of the underlying issues that influence health and wellbeing including from historical, cultural, political and spiritual perspectives. uwa.edu.au/study/aboriginal-health-and-wellbeing	3	*	FEB, JUL	UWA MJD-ABHWB CRICOS 095001B
Bachelor of Biomedical Science - Anatomy and Human Biology This major explores the fascinating concept of what it means to be human, combining studies of the education, behaviour and biology of human beings with current social and ethical issues.	3	•	FEB, JUL	UWA MJD-ANHBY CRICOS 095001B
uwa.edu.au/study/anatomy-and-human-biology				
Bachelor of Biomedical Science - Biochemistry and Molecular Biology This major investigates how the natural world works. You'll gain an insight into the mechanisms of evolution, growth, development, reproduction and disease, plus tools to improve our quality of life.	3	•	FEB, JUL	UWA MJD-BCHMB CRICOS 095001B
uwa.edu.au/study/biochemistry-and-molecular-biology				
Bachelor of Biomedical Science - Exercise and Health This major provides a broad knowledge and understanding of how behaviour influences health. You'll be at the forefront of creating positive change in the behaviour of individuals and the broader community.	3	•	FEB, JUL	UWA MJD-EXHSC CRICOS 095001B
uwa.edu.au/study/exercise-and-health				
Bachelor of Biomedical Science - Genetics This major delivers a broad overview of the universal principles, potentials and problems associated with DNA-based life, and provides you with the essential skills of a geneticist. uwa.edu.au/study/genetics	3	•	FEB, JUL	UWA MJD-GENET CRICOS 095001B
Bachelor of Biomedical Science - Humanities in Health and Medicine This major is an interdisciplinary, humanistic and cultural study of health, illness, health care and the human body, mind and spirit.	3	*	FEB, JUL	UWA MJD-HHMED CRICOS 095001B
uwa.edu.au/study/humanities-in-health-and-medicine				
Bachelor of Biomedical Science - Microbiology and Immunology Microbiology is the study of microorganisms and how they interact with the macro-world to influence health and disease of all life forms on earth. Immunology studies the role of the immune system in maintaining health or causing disease.	3	•	FEB, JUL	UWA MJD-MCBIM CRICOS 095001B
uwa.edu.au/study/microbiology-and-immunology				
Bachelor of Biomedical Science - Neuroscience Discover the nervous system at all levels, from molecules that make up individual nerve cells to the complexities of how behaviour, thought and emotions are produced.	3	•	FEB, JUL	UWA MJD-NEURS CRICOS 095001B
uwa.edu.au/study/neuroscience

"The teaching staff at UWA are amazing. They're so friendly and always happy to answer our questions and support our learning. Whenever I've emailed a lecturer with a question, they've always responded to me promptly with a helpful answer. The course content is also perfect. I feel like I'm being taught a good balance of theory and practical knowledge to prepare me for my future career as a translator."

"I chose UWA because of the flexible course study plans, which meant I could do Visual Arts units whilst studying in a completely different study area. I enjoyed the fact that I could gain a well-rounded learning experience, an adaptable one that didn't gridlock me into a specific discipline. It felt like a very instinctual decision for me to follow a practical and creative study path."

GABRIELLA LOO

AGRICULTURE AND ENVIRONMENT - COMBINED BACHELOR'S DEGREE	ES				
Bachelor of Agricultural Science and Bachelor of Science This combined degree will provide you with advanced agricultural science training, along with knowledge from a range of cutting-edge pure and applied sciences to new multidisciplinary fields of science. uwa.edu.au/study/bb/agricultural-science-and-science	4	•	FEB, JUL	UWA CB003 CRICOS 107576D	
Bachelor of Environmental Science and Bachelor of Arts This combined degree teaches understanding, rational analysis, and improvement of human impacts on the natural world, along with transferable communication and critical thinking skills from a complementary arts discipline. uwa.edu.au/study/bb/environmental-science-and-arts	4	•	FEB, JUL	UWA CB008 CRICOS 107579A	
Bachelor of Environmental Science and Bachelor of Commerce This combined degree teaches understanding, rational analysis, and improvement of human impacts on the natural world, along with strong business and commercial skills from a complementary commerce discipline. uwa.edu.au/study/bb/environmental-science-and-commerce	4	2 .	FEB, JUL	UWA CB007 CRICOS 107580H	
Bachelor of Environmental Science and Bachelor of Science This combined degree teaches understanding, rational analysis, and improvement of human impacts on the natural world through advanced environmental science training in combination with a complementary scientific discipline. uwa.edu.au/study/bb/environmental-science-and-science	4	•	FEB, JUL	UWA CB002 CRICOS 107581G	
Bachelor of Modern Languages and Bachelor of Science Maximise your career options by developing proficiency in two languages while acquiring the scientific knowledge, skills and attributes to make a real contribution to the global challenges facing humanity. uwa.edu.au/study/bb/modern-languages-and-science	4	*	FEB, JUL	UWA CB029 CRICOS 111645F	
AGRICULTURE AND ENVIRONMENT - COMBINED BACHELOR'S AND MA	STER'S DEGREE	S			
Bachelor of Agribusiness and Master of Agricultural Economics This is an advanced and globally relevant economics degree that focuses on the analysis of production, consumption, and trade issues in the global food, fibre and energy sectors. uwa.edu.au/study/cbm/agribusiness-and-agricultural-economics	4	•	FEB	UWA CM014 CRICOS 102873B	
Bachelor of Agricultural Science and Master of Agricultural Science This course will prepare you to meet the demands of an agricultural industry rapidly being transformed by technology and digitalisation. uwa.edu.au/study/cbm/agricultural-science	4	*	FEB	UWA CM013 CRICOS 102859M	
Bachelor of Environmental Science and Master of Environmental Science Gain specialised knowledge in dealing with issues such as climate change, water resource management, sustainable natural resource use, and the rehabilitation of polluted environments to help secure a sustainable future. uwa.edu.au/study/cbm/environmental-science	4	.	FEB	UWA CM008 CRICOS 102870E	
Bachelor of Geographical and Spatial Science and Master of Environmental Science Learn to use advanced GIS and remote sensing skills to analyse spatial information that will assist in the development of data-driven interdisciplinary solutions to the world's greatest challenges. uwa.edu.au/study/cbm/geographical-spatial-science	4	•	FEB, JUL	UWA CM032 CRICOS - to be confirmed³

BIOLOGY AND CHEMISTRY - COMPREHENSIVE DEGREE MAJORS					
Bachelor of Biomedical Science - Anatomy and Human Biology This major explores the fascinating concept of what it means to be human, combining studies of the education, behaviour and biology of human beings with current social and ethical issues. uwa.edu.au/study/anatomy-and-human-biology	3	*	FEB, JUL	UWA MJD-ANHBY CRICOS 095001B	
Bachelor of Biomedical Science - Biochemistry and Molecular Biology This major investigates how the natural world works. You'll gain an insight into the mechanisms of evolution, growth, development, reproduction and disease, plus tools to improve our quality of life. uwa.edu.au/study/biochemistry-and-molecular-biology	3	•	FEB, JUL	UWA MJD-BCHMB CRICOS 095001B	
Bachelor of Biomedical Science - Genetics This major delivers a broad overview of the universal principles, potentials and problems associated with DNA-based life, and provides you with the essential skills of a geneticist. uwa.edu.au/study/genetics	3	*	FEB, JUL	UWA MJD-GENET CRICOS 095001B	
Bachelor of Science - Botany In this major, you'll investigate plant evolution and diversity as well as the effects of environmental and biological factors on the structure, functioning and ecology of plants. uwa.edu.au/study/botany	3	•	FEB, JUL	UWA MJD-BOTNY CRICOS 068914G	
Bachelor of Science - Chemistry With the Chemistry major, you'll learn about advances being made in medicine, nanotechnology, climate change, energy generation and storage, and industrial manufacturing. uwa.edu.au/study/chemistry	3	•	FEB, JUL	UWA MJD-CHEMY CRICOS 068914G	
Bachelor of Science - Conservation Biology In this major, you'll focus on how to protect and restore biodiversity. You'll gain theoretical as well as practical knowledge and skills to understand and minimise the human impacts on natural ecosystems. uwa.edu.au/study/conservation-biology	3	*	FEB, JUL	UWA MJD-CONBI CRICOS 068914G	
Bachelor of Science - Genetics This major delivers a broad overview of the universal principles, potentials and problems associated with DNA-based life, and provides you with the essential skills of a geneticist. uwa.edu.au/study/genetics	3	•	FEB, JUL	UWA MJD-GENET CRICOS 068914G	
Bachelor of Science - Marine Biology This major introduces you to the biodiversity hotspot on our doorstep through hands-on laboratory sessions, field trips and computer-based exercises. You'll learn about our unique marine life and how they interact with their environment to respond to threats such as climate change, exploitation, and the depletion of natural resources. uwa.edu.au/study/marine-biology	3	•	FEB, JUL	UWA MJD-MBIOL CRICOS 068914G	
Bachelor of Science - Zoology Zoologists study physiology, reproduction, behaviour, community ecology, genetics and evolution. You'll learn how Zoology underpins society's interest in conservation and marine science, including major contributions to current research in fisheries and ecosystem management. uwa.edu.au/study/zoology	3	•	FEB, JUL	UWA MJD-ZOOLY CRICOS 068914G

UNDERGRADUATE

	DURATION				
COURSE	FULL-TIME (YEARS)	DELIVERY MODE	INTAKE	COURSE CODES	
BIOLOGY AND CHEMISTRY - SPECIALISED DEGREE MAJORS					
Bachelor of Biological Science - Biodiveristy and Evolution (Extended Major) Explore animal and plant biology and how these systems have evolved, adapted and diversified in the unique environments of Australia. uwa.edu.au/study/biodiversity-and-evolution	3	*	FEB, JUL	UWA BP025 MJD-BIDEM CRICOS 107722K	
Bachelor of Biological Science - Plant Biology (Extended Major) Apply knowledge from botany, molecular sciences and genetics, to real-world problems such as how plants adapt to climate change or how to produce healthier and more sustainable foods for the future. uwa.edu.au/study/plant-biology	3	•	FEB, JUL	UWA BP025 MJD-PLBEM CRICOS 107722K	
Bachelor of Biological Science - Wildlife Conservation (Extended Major) In this course you'll focus on how to help protect wildlife and their habitats through the conservation of animals and their environments. uwa.edu.au/study/wildlife-conservation	3	•	FEB, JUL	UWA BP025 MJD-WLCDM CRICOS 107722K	
Bachelor of Earth Sciences - Geochemistry (Extended Major) Geochemistry is the application of chemistry to understand Earth's system and processes. It's used to help understand a broad range of areas from groundwater studies to the exploration of planets. uwa.edu.au/study/geochemistry	3	•	FEB, JUL	UWA BP029 MJD-GECDM CRICOS 107428E	
Bachelor of Molecular Sciences - Biochemistry of Nutrition (Extended Major) Nutritional biochemistry takes a scientific approach to nutrition. It focuses on nutrient chemical components and how they function metabolically, physiologically and biochemically, as well as their impact on disease. uwa.edu.au/study/biochemistry-of-nutrition	3	•	FEB, JUL	UWA BP028 MJD-BCNDM CRICOS 107482K	
Bachelor of Molecular Sciences - Molecular Life Sciences (Extended Major) This course will help you develop a scientific understanding of the biochemistry, molecular biology and genetics of all living organisms. uwa.edu.au/study/molecular-life-sciences	3	•	FEB, JUL	UWA BP028 MJD-MLSDM CRICOS 107482K	
BIOLOGY AND CHEMISTRY - COMBINED BACHELOR'S AND MASTER'S D	EGREES				
Bachelor of Biological Science and Master of Biological Science Find out how living organisms, ranging from microbes to megafauna, grow, reproduce, adapt and evolve. Learn about how species and ecological communities can be managed, conserved and restored. uwa.edu.au/study/cbm/biological-science	4	•	FEB	UWA CM005 CRICOS 102861F	
Bachelor of Biological Science and Master of Biotechnology This combined course offers a thorough grounding in state-of-the-art biotechnology in combination with training in enterprise, commercialisation and intellectual property (IP) protection. uwa.edu.au/study/cbm/biological-science-and-biotechnology	4	•	FEB	UWA CM029 CRICOS 107846J	
Bachelor of Molecular Sciences and Master of Bioinformatics Develop biological and analytical knowledge and skills in the area of genomics and other 'omic' data to inform basic human science questions relating to health, disease and our changing environment. uwa.edu.au/study/cbm/molecular-and-bioinformatics	4	•	FEB	UWA CM024 CRICOS 107481M	
Bachelor of Molecular Sciences and Master of Biomedical Science Pursue advanced studies with emphasis placed on nutritional biochemistry, and the influence of dietary modification and nutritional intervention, on healthy living and treatment of disease. uwa.edu.au/study/cbm/molecular-sciences-and-biomedical-science	4	•	FEB	UWA CM004 CRICOS 102860G	
Bachelor of Molecular Sciences and Master of Biotechnology Develop an understanding of biological function at the molecular level and how this knowledge integrates into an understanding of how individual cells and entire organisms function. uwa.edu.au/study/cbm/biotechnology	4	*	FEB	UWA CM007 CRICOS 106474G

COURSE	COURSE TYPE	FULL-TIME (YEARS)	DELIVERY MODE	INTAKE
AGRICULTURE AND ENVIRONMENT				
Master of Agricultural Economics Study a globally relevant economics degree that focuses on the analysis of production, consumption, and trade issues in the global food, fibre and energy sectors. uwa.edu.au/study/m/agricultural-economics	C or C+D	1.5-2	<u>•</u>	FEB, JUL
Master of Agricultural Science Gain the knowledge and skills for an exciting career in the agricultural sector as it addresses the challenge of producing food in a sustainable, profitable and ethical manner. uwa.edu.au/study/m/agricultural-science	C or C+D	1.5-2	•	FEB, JUL
Master of Biotechnology This course offers a thorough grounding in state-of-the-art biotechnology in combination with training in enterprise, commercialisation and intellectual property (IP) protection. uwa.edu.au/study/m/biotechnology	C or C+D	1.5-2	•	FEB, JUL
Master of Environmental Economics (Online) Learn about economic approaches that enable the improvement of policies to address key environmental issues such as climate change, biodiversity loss, land degradation and pollution. uwa.edu.au/study/m/environmental-economics	C or C+D	1.5	Ţ	FEB, JUL
Master of Environmental Science This course provides students an inter-disciplinary foundation in contemporary environmental issues, management approaches and policy. Specialisations include environmental rehabilitation, climate change adaptation and geospatial data science, including professional and research pathways. uwa.edu.au/study/m/environmental-science	C or C+D	1.5-2	•	FEB, JUL
Master of Science In this research degree you'll develop advanced research and technical skills by completing an in-depth study in your scientific discipline. uwa.edu.au/study/m/science	T+C	1	•	FEB, JUL
Master of Science Communication Gain the skills to develop content, tools, and strategies that will ensure communities can access, understand, and act on scientific information. uwa.edu.au/study/m/science-communication	C or C+D	1.5-2	•	FEB, JUL
BIOLOGY AND CHEMISTRY				
Master of Bioinformatics Develop in demand computational and data analysis skills to interpret new information being discovered in the fields of biology and medicine. uwa.edu.au/study/m/bioinformatics	C or C+D	1.5-2	•	FEB, JUL
Master of Biological Science Specialise in ecology, conservation biology or zoology and gain the knowledge and skills to enhance our management of threatened species and ecosystems. uwa.edu.au/study/m/biological-science	C or C+D	1.5-2	*	FEB, JUL
Master of Biomedical Science This course encompasses a range of biological, medical and health-related disciplines, addressing global health and nutritional challenges such as cancer, cardiovascular disease and obesity. uwa.edu.au/study/m/biomedical-science	C or C+D	1.5-2	2	FEB, JUL

"UWA is a world-class institution for Agriculture, with esteemed professors and researchers who provide us all with the tools to excel. One thing I enjoyed most about my course was the opportunity to attend the 16th International Students Summit in Tokyo with a classmate. I made so many friends from top agricultural universities and I am sure we will be working together in the future to solve major agricultural challenges."

MING CHUA,

Research at UWA

Open up a world of learning opportunities with a UWA higher degree by research degree.

The University of Western Australia attracts world-class researchers, who are ready to supervise you through your higher degree program. We are:

- a world top 100 university (QS 2023)
- a member of the Group of Eight network of Australia's leading universities
- in the world's top 50 for a range of research areas (QS 2023 and ARWU 2022)
- in receipt of 56 per cent of university research funding in WA

UWA is also home to two Nobel Prize for Medicine laureates - Professors Barry Marshall and Robin Warren and Fields Medallist Professor Akshay Venkatesh is also an alumnus.

We host 13 highly cited researchers and more than 60 academics across all of Australia's learned academies.

Our programs have fostered a Prime Minister and state premiers, as well as business and political leaders nationally and internationally.

Located in the time zone with the largest proportion of the world's population, UWA has built strong collaborative links with other universities, research institutes, businesses and governments all over the world. Our research training and high-quality supervision will support you to tackle international or local issues, turning your research into economic, social and environmental benefits. You'll also develop a broad spectrum of transferable skills and will be offered a range of professional development opportunities, such as internships and various engagement, with research end-users.

UWA offers a range of research scholarships for international students, encouraging you to pursue excellence in your studies. We also have flexible study options, including part-time and online study arrangements to suit you.

Our Student Community offers many social activities and clubs to keep you engaged, as well as support services and high-quality accommodation options.

We offer a range of research degrees in addition to the Doctor of Philosophy, Master of Philosophy and Master of Research. Explore the study areas for more information.

uwa.edu.au/study/research

Research degrees

A postgraduate research degree provides a unique opportunity to pursue your scholarly interests and extend your understanding of a subject area.

Supported by an expert supervisory team, you'll develop advanced analytical, project management and communication skills, as well as the ability to work independently on complex problems.

Doctor of Philosophy (PhD)

UWA COURSE CODE: 00810

CRICOS CODE: 003310F, 003311E, 003312D, 003314B, 003316M, 003317K, 003318J, 003319G, 003320D, 003321C, 013797F, 024816F, 024818D, 037146K, 037147J, 037148G, 037149G, 037157G, 037158F, 037159E, 037160A, 055301K, 058936F

INTAKE: Throughout the year

DURATION: 4 years full time

The PhD is a program of independent, supervised research assessed by examination of the thesis. This includes an oral examination (viva voce) and, for some doctorates, may include a creative component. The work presented for a PhD must be a substantial and original contribution to scholarship, demonstrating mastery of the subject and advancing the field of knowledge.

uwa.edu.au/study/d/philosophy

Master of Philosophy (MPhil)

UWA COURSE CODE: 00710

CRICOS CODE: 078203M, 078204K, 078205J, 078206G, 078207G, 078208F, 078209E, 078210A, 078211M, 078212K, 078213J, 078214G, 078215G, 078216F, 078217E, 078218D, 078219C, 078220K, 078221J, 078222G, 078224F, 078267F, 078472A

INTAKE: Throughout the year

DURATION: 2 years full time

The MPhil is a program of independent, supervised research in which you are required to show an advanced and integrated understanding of a complex body of knowledge in one or more fields of study. Assessment is by external examination of the thesis.

uwa.edu.au/study/m/philosophy

PhD/MPhil admission requirements

Approval for admission to a PhD/MPhil requires an applicant to demonstrate that they have sufficient background and experience in independent supervised research to successfully complete the course, and for the University to ensure that appropriate supervision and resourcing are available. Applicants are required to demonstrate that they have met the requirements of the University Policy on Adequate Research Preparation (uwa.edu.au/policy) and any other requirements for admission of the University, and

 (a) have a bachelor's degree of this University or equivalent qualification;

0

- (b) (i) have previously undertaken work, of a sufficiently high standard, towards a higher degree by research in this or another approved institution but not have submitted it for any degree; and
 - (ii) have completed an appropriate PhD/MPhil research proposal. A student who wishes to undertake a PhD/MPhil in the field of creative writing must, in addition, submit a substantial folio of published creative work, normally in the form of one or more books. Prior to enrolment, all applicants are required to demonstrate that they have met the University's English language requirements.

uwa.edu.au/study/research/elc

Master of Research (MRes)

UWA COURSE CODE: 00720

CRICOS CODE: 097178E, 097179D, 097180M, 097181K, 097182J, 097183G, 097184G, 097185F, 097186E, 097187D, 097188C, 097189B, 097190J, 097191G, 097192G, 097193F, 097194E, 097195D, 097196C, 097197B, 097198A, 097199M, 097200A

INTAKE: January

DURATION: 2 years full time¹

The MRes is designed to broaden options for honours students who wish to expand their research output, but have been unsure about transitioning straight from honours to PhD. The first year of the course comprises the honours year, and students who are admitted to the MRes proceed directly from the honours year into the second year of the MRes.

uwa.edu.au/study/m/research

MRes admission requirements

Completing the requirements of an end-on honours degree at UWA or another recognised Australian tertiary institution, with a weighted average mark of at least 70 per cent, but not had the degree conferred.

 $^{^{\}rm 1}\,\mbox{One}\,\mbox{year}$ if honours is completed.

English language requirements

QUALIFICATION EQUIVALENTS	UWA REQUIREMENTS
ALL INDIA EXAMINATION (CBSE) OR INDIAN SCHOOL CERTIFICATE (CISCE)	English language components with a minimum grade B2 (CBSE) or 60 per cent (CISCE)
AUSTRALIAN YEAR 12	A pass in acceptable English/English Literature subject
FOUNDATION PROGRAMS – GO8 UNIVERSITIES	An appropriate pass in the English paper of a Go8 foundation program
GCE A LEVEL	Minimum grade E in English Language, English Literature or English Language and Literature
GCE AS LEVEL	Minimum grade C in General Paper or English Language
GCE A LEVEL (SINGAPORE-CAMBRIDGE)	Minimum grade E in Knowledge and Inquiry, Literature in English, or English Language and Linguistics
	Minimum grade C in General Paper
GCE O LEVEL (GCSE AND IGCSE)	Minimum grade 4 in English, English Language, English (First Language) or English Literature
	Minimum grade 7 in IGCSE English as a Second Language, with grade one (1) in Oral/Aural Communication
GERMAN ABITUR	Minimum grade 3, in conjunction with a minimum grade B in DAAD (German Academic Exchange Service) Certificate of Language Proficiency test
HONG KONG DIPLOMA OF	Core English Language, minimum level 4
SECONDARY EDUCATION (HKDSE)	Literature in English elective, minimum level 3
IELTS (ACADEMIC)	Overall minimum score of 6.5, no band lower than 6.0
INTERNATIONAL	English A: Literature or Language and Literature at SL, minimum grade 4
BACCALAUREATE DIPLOMA (IB)	English A: Literature or Language and Literature at HL, minimum grade 3
,	Literature and Performance at SL, minimum grade 4
	English B at HL, minimum grade 5
MALAYSIAN SPM 1119 ENGLISH/CEFR	A grade of C6 or higher on the GSCE grading system, or a grade of C1 or higher on the CEFR grading system
NORWEGIAN VITNEMÅL	Minimum grade 4 in the English component
PEARSONS TEST OF ENGLISH (PTE) (ACADEMIC)	An overall score of 64 with a minimum score of 59 in the speaking and writing sections, and no less than 54 in the other sections
TOEFL	Internet-based TOEFL (iBT): an overall score of 82 or above with a minimum score of 22 in writing, 18 in reading, 20 in speaking and 20 in listening
US HIGH SCHOOL DIPLOMA	Year 12 English Paper grade of B or higher
ACT	English section grade of 25
SAT	Evidence-based Reading and Writing section grade of 600

Help with English language skills

UWA Centre for English Language Teaching (UWA CELT)

UWA CELT offers accredited English Language Intensive Courses for Overseas Students (ELICOS) programs in Language and Communication Essentials (the English pathway to UWA College) and English for Academic Purposes, as well as preparation for IELTS as an internationally recognised examination.

UWA CELT offers courses from beginner to advanced levels, with students assigned to classes based on their goals and level of language ability.

Academic English and Study Skills Bridging Course (Bridging Course)

The Bridging Course has been designed for international students who wish to study at UWA but do not have the University's required level of English proficiency. The course is also suitable for students with unconditional entry into UWA who would like to further develop their language ability, study and research skills, and confidence before commencing tertiary study.

A 70 per cent pass in the Bridging Course meets the University's English language requirement for most undergraduate and postgraduate courses, although some postgraduate courses have a higher English language requirement.

For more information, please visit celt.uwa.edu.au

Entry pathways

Secondary school leavers

UWA accepts a number of overseas secondary education qualifications as satisfying the entry requirements to UWA degrees.

Entry to undergraduate courses is offered to all students who achieve the required entry score for the undergraduate program of their choice. Students are also required to meet the English language requirements of the University and prerequisites for chosen majors.

For more information, see the page on academic entry requirements, or visit uwa.edu.au/study/how-to-apply/international-and-overseas-qualifications

Foundation and diploma programs

Some students may not be eligible to study an undergraduate course at UWA directly after completing high school in their home countries. These students are encouraged to take a pre-university course such as a foundation program or a diploma.

There's a range of foundation or diploma programs that UWA accepts. For a list of these programs, visit www.edu.au/study/international-students/courses-and-entry-requirements

Credit transfer/advanced standing

Higher education study

UWA may grant academic credit for study undertaken at another tertiary institution or college if the subjects completed are equivalent in content and standard to those taught at UWA, and are relevant to the chosen course.

UWA has pre-approved credit arrangements in place with a number of polytechnics and other educational institutions, in the areas of architecture, business, engineering, computer science and life and physical sciences.

UWA College

At UWA College, you'll get to experience all that student life at UWA has to offer, while you build your academic and language skills in a supportive and interactive learning environment.

Everyone's pathway to university is different, which is why UWA College provides a range of options to start your journey towards studying at UWA and achieving your career goals.

UWA College's Foundation and Diploma programs will help you adjust to life in Perth and develop the necessary study skills to succeed at UWA.

Why study at UWA College?

- Guaranteed place at UWA*
- Programs designed in collaboration with UWA
- Tailored academic programs to prepare you for undergraduate study
- English language support
- Expert teachers, academic liaison and support staff
- Experienced Student Services team to help with everything from accommodation to your university application
- Study at the main UWA campus
- Access to UWA facilities
- · Smooth transition to university

Visit uwa.edu.au/study/uwacollege

Foundation Program

Designed specifically for international students, the UWA Foundation Program will help improve your subject knowledge and English language skills so you can progress to the first year of your undergraduate degree at UWA. The length of your Foundation program will be determined by your English language level and academic results.

Based on your scores and successfully completing the UWA Foundation Program, you'll be eligible for entry into all UWA bachelor degrees, including the Assured Pathways.

UWA Foundation Program 8 months Course
CRICOS Code: 108651A.
UWA Foundation Program Extended 12 months Course
CRICOS Code: 108650B.

Diploma Programs

UWA College Diploma programs prepare you for entry into the second year of a range of UWA undergraduate degrees.

You'll receive academic and English support to help you succeed and progress to your undergraduate program, allowing you to complete a UWA Bachelor's degree in the standard number of years.

Depending on what UWA degree you wish to pursue, you can choose from:

- Diploma in Commerce
- Diploma in Computer and Data Science
- · Diploma in Engineering
- Diploma in Science

The length of your Diploma program will be determined by your English language proficiency and academic results.

Diploma in Commerce 8 months Course CRICOS Code: 107429D.

Diploma in Commerce 12 months Course CRICOS Code: 107425H.

Diploma in Computer and Data Science 8 months Course

CRICOS Code: 111078K.

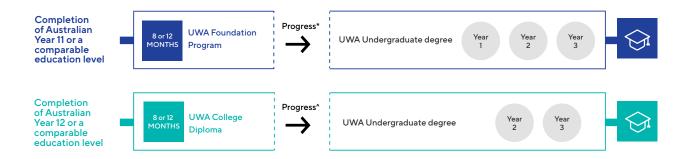

Diploma in Computer and Data Science 12 Months Course CRICOS Code: 111079J.

Diploma in Engineering 14 months Course CRICOS Code: 112405C.

Diploma in Engineering 10 months Course CRICOS Code: 112406B.

Diploma in Science 8 months Course CRICOS Code: 107426G.

Diploma in Science 12 months Course CRICOS Code: 107427F.

^{*}Subject to meeting the minimum course entry requirements and any additional selection criteria set by UWA.

[^]Diploma in Engineering is offered as 10 or 14 months and progresses to year two of the four year Bachelor of Engineering (Honours)

How to apply – undergraduate and postgraduate coursework

1. Choose your course

Choose your preferred course from this course guide or at **uwa.edu.au/study** and check that you satisfy your chosen course's admission requirements.

2. Apply online

To start your application, visit **uwa.edu.au/study** and click on the 'Login' button on the top right-hand corner of the page. If it's your first time applying to UWA, create a profile by selecting the 'sign up' tab. Once you've signed up, submit all required documentation in digital format or submit your application through a UWA overseas representative in your country. A complete list of representatives can be found at: **uwa.edu.au/study/agents**

3. Track your application

After you've submitted your application you can track its progress via the UWA Apply portal. You can also upload any additional documents we need.

4. We'll send you a letter of offer

We'll send you an email to notify you of the outcome of your application. If your application is successful, you'll receive an offer letter or a conditional offer letter if more steps are required via email.

5. Accept your offer

When you receive your offer letter email, click the 'accept' button to be taken to UWA Accept, where you can accept your offer. Log in with the account you used to apply (UWA Apply portal) and you'll see your offer. You may be required to submit scans or clear photographs of any requested documents, agree to the terms and conditions of studying at UWA and then make your first payment.

6. Pre-enrolment information

When the University confirms all submitted documents are correct, you've met the English language requirements for your course and your first payment has been received, you'll be issued a Confirmation of Enrolment (CoE) package that contains a letter of welcome including links to our pre-departure and on-campus accommodation guides and a Confirmation of Enrolment.

7. Enrol online

You can now enrol in your course at: **uwa.edu.au/unistart/enrol**

8. Accommodation

Explore a range of options, all located within close proximity to the campus, cafés, shops and the city. uwa.edu.au/study/student-life/accommodation

9. Flights and visa

You're required to make your own travel and student visa arrangements. UWA's overseas representatives can help with these arrangements if you need any additional advice or assistance. In some countries, student visas can be obtained electronically. Visit homeaffairs.gov.au

We're here to help

If you're unsure if your results qualify you for entry, or you would like more details on how to apply, contact our Future Students Centre to discuss your options. Call us on +61 8 6488 1000, or visit **ask.uwa.edu.au**

How to apply – postgraduate research

1. Expression of Interest

Contact the Higher Degree by Research admissions and scholarships team to start your application.

Email: applications-grs@uwa.edu.au

2. Lodge an application

The appropriate application method will be advised by the HDR admissions and scholarships team.

You'll need to provide supporting documents, including a summary of the proposed research that outlines:

- 1. background to the topic;
- 2. aims of the research;
- 3. significance of the research;
- 4. the methodology you'll use, and
- 5. a brief reference list.

Applications for Higher Degree by Research courses are open all year round, except for the Master of Research and combined Doctor of Philosophy and Master's courses. Applications for some scholarships go through a different process which includes specific deadlines. Email applications-grs@uwa.edu.au to enquire further.

3. Approval

Your application will be sent to the designated School for consideration, where the Graduate Research Coordinator in the School will evaluate research preparation, funding and resources for the project, and the availability of appropriate supervision. The School will then make a recommendation to the Graduate Research School as to whether UWA can provide a place in the course. The Dean of the Graduate Research School will consider the recommendation for admission.

4. Offer and Acceptance

Successful applicants will receive an offer letter that sets out the terms of admission. A Confirmation of Enrolment (CoE) will be issued when you accept the offer, if all submitted documents are correct and the English Language requirements are met.

5. Accommodation

Explore a range of options, all located within close proximity to the campus, cafés, shops and the city. uwa.edu.au/study/student-life/accommodation

6. Flights and visa

You're required to make your own travel and student visa arrangements. UWA's overseas representatives can help with these arrangements if you need any additional advice or assistance. In some countries, student visas can be obtained electronically. Visit homeaffairs.gov.au

Scholarships and awards available

UWA Global Excellence Scholarship

The University of Western Australia is offering the Global Excellence Scholarship to high-achieving undergraduate and postgraduate students across the globe who choose to study with us. With this scholarship, you could receive scholarships of up to AUD\$48,000* over 4 years on eligible undergraduate courses or up to AUD\$24,000* over two years on eligible postgraduate courses. Plus, there's no need to apply as eligible students will be automatically offered the scholarship with their offer from UWA.

UP TO AUD**\$48,000 OVER FOUR YEARS**FOR UNDERGRADUATES COMMENCING ELIGIBLE COURSES

UP TO AUD\$36,000 OVER THREE YEARS

FOR UNDERGRADUATES COMMENCING ELIGIBLE COURSES

UP TO AUD\$24,000 OVER TWO YEARS

FOR POSTGRADUATES COMMENCING ELIGIBLE COURSES

uwa.edu.au/study/global-excellence-scholarship

*Scholarship information is current at time of printing and subject to change.

UWA International Student Award

UWA's International Student Award is a fee reduction of \$5,000 per year for students from a range of select countries. The Award helps foster a diverse student community and enables more students from different nationalities to pursue their study and career goals with LIWA

uwa.edu.au/study/international-students/international-student-award

Postgraduate research scholarships

International Tuition Fee and Living Allowance Scholarships

Awarded to support Australia's research effort.
Successful applicants will work under the direction of senior researchers in areas that have attracted external resources. Funded by UWA, these scholarships cover:

- International Tuition Fees for up to four (4) years
- Overseas Student Health Cover (OSHC) for you
- A living allowance valued at AUD\$35,000 per annum

Forrest Research Foundation PhD Scholarships

Awarded to outstanding international students, to help them complete a PhD at a Western Australian university. The Forrest Scholarship package is valued at more than \$50,000, including a stipend, accommodation at Forrest Hall, and a research and travel allowance.

Undergraduate and postgraduate degree scholarships

UWA also offers a range of scholarships to prospective students studying particular courses and study areas. We want to help you to achieve your study and career goals in an area that interests you. Visit our website to learn more about all our undergraduate and postgraduate scholarship options.

uwa.edu.au/study/scholarships

Academic entry requirements for undergraduate degrees

To be eligible for entry into an undergraduate program at UWA, you'll need to demonstrate academic performance through your school-leaving qualification or previous university study, achieve UWA's requirement for English language competence and satisfy the prerequisite subject(s) for your preferred major(s).

- Includes WACE, SAM, HSC, VCE, Ausmat etc
- The aggregate is calculated from points, from the best three modules, where one module can be substituted with two half modules, with points assigned to grades i.e. Grade (Full Module) A*= 6, A = 5, B = 4, C = 3, D = 2, E = 1. Grade (Half Module) A* = 3, a = 2.5, B = 2, C = 1.5, D = 1, E = 0.5. English for Academic Purposes (EAP) is not counted.
- The aggregate is calculated from the best eight passed units and divided by two for the final score.
- $^{\rm 4}$ $\,$ Aggregate is calculated as the aggregate of the best four subjects.
- ⁵ An aggregate is calculated by selecting the best four marked subjects taken at Class XII-level and assigning them points A1 = 5.0, A2 = 4.5, B1 = 3.5, B2 = 3.0, C1 = 2.0, C2 = 1.5 D1 = 1.0, D2 = 0.5.
- Grade average of best five or six Provincially Examined or University/ College Preparation courses.
- Aggregate is calculated from points of the best four subjects: A1 = 1, A2 = 2, B3 = 3, B4 = 4, B5 = 5, B6 = 6, C7 = 7.
- ⁸ Aggregate is calculated from best three subjects: $A^* = 6$, A = 5, B = 4, C = 3, D = 2, E = 1
- Aggregate of best four subjects: Category A subjects: 5** = 6, 5* = 5.5, 5 = 5, 4 = 4, 3 = 3. Category C subjects: A* = 6, A = 5, B = 4, C = 3, D = 2, E = 1.
- Average is taken from best four subjects.

- Aggregate of best three subjects: A = 7, A- = 6, B+ = 5, B = 4, B- = 3, C+ = 2, C = 1.
- Aggregate calculated from a minimum of two (and no maximum) H2 Level subjects, and maximum of 1 content-based H1 subject. At H2 Level: A = 5, B = 4, C = 3, D = 2, E = 1. At H1 Level: A = 2.5, B = 2, C = 1.5, D = 1, E = 0.5.
- Grade average of best six subjects in final year, excluding Life Orientation.
- The score is the sum of the scores of four Standard Scores in: Korean Language, Mathematics, plus the two best subjects from either Science, or Social Studies.
- Average calculated from points of all subjects. Subject grades assigned points: A=20, B=17.5, C=15, D=12.5, E=10, F=0.
- Applicants must have passed ACT in conjunction with a recognised high school qualification.
- Applicants must have passed a minimum of two Advanced Placement exams with the US College Board in conjunction with a recognised high school qualification.
- Applicants must have passed SAT in conjunction with a recognised high school qualification.

COURSE REQUIREMENTS

- ^Duration may vary depending on your chosen bachelor's degree. The Assured Pathway to the Juris Doctor via Bachelor of Philosophy (Honours) is four years' full time or part-time equivialent with a minimum ATAR/IB of 98.00/38 or equivalent.
- *Part-time only.
- **A major in Chemical Engineering will take 5.5 years to complete.
- ¹ Postgraduate study required.
- ² Refer to our fees website for most up-to-date information.
- ³ As at the date printing for this Course Guide, this course is not available for student visa holders during this process. See relevant course web page for most up-to-date information.
- ⁴ Postgraduate study and/or training is required to register as a Psychologist in Australia.
- ⁵ The Bachelor of Engineering (Honours) has provisional accreditation from Engineers Australia. Full accreditation will be applied for once the first cohort has graduated. This is backdated to cover all graduated students.
- ⁶ Graduates will be able to register with the Dental Board of Australia as a Dentist and enter the profession immediately.
- ⁷ Graduates will be eligible for registration as general Podiatrists in Australia, New Zealand, UK, Hong Kong, Singapore and parts of Canada without the need for any further preregistration training or compulsory internship.
- ⁸ With relevant prior qualifications.
- ⁹ Requires further study. This can be undertaken with a professional college for specialisation in a medical discipline after graduating from the Doctor of Medicine.
