My entire experience at Monash prepared me for the real and working world. It gave me all the tools, resources and confidence required to be a team player from the get-go, and a manager within three years of graduating.”

**CLAUDIA LOW**

Bachelor of Arts, majoring in Creative Writing and Mass Communications  
Regional Head of Creative Content, Lion & Lion

At Monash, I received research training from world-class teachers, had access to sophisticated facilities and equipment, and was supported with travel and research activities. I presented my work in various countries and worked in labs at KU Leuven in Belgium, Naresuan University in Thailand, and the Chinese University of Hong Kong.”

**DR UDAY KUNDAP**

Doctor of Philosophy (in the area of Neuroscience)  
Postdoctoral Fellow, University of Montreal Hospital Research Center (CRCHUM) in Canada

My internships at Maybank and Deloitte were invaluable. I learnt how to engage with people in a professional manner, was exposed to real working culture, and developed important interpersonal skills. These experiences showed me what to expect and what I needed to improve in preparing for my career.”

# YOUR CAREER

We challenge you to let your education change your mindset – think differently about anything and everything to make your impact in the world.

By choosing Monash you've chosen a university that's ranked in the world's top 100. You'll study alongside world-class educators and researchers in a degree or double degree designed to provide you with breadth, flexibility and choice.

But employers want more than great results from a leading university. They want to hire graduates who have experience beyond the classroom. Graduates with broad networks and a deep understanding of the world. Graduates who understand industry and have a passion for discovery.

This is why our courses and platforms offer work-integrated learning experiences and engagement with industry. You'll develop an enterprising mindset and hone your employability skills, giving you an edge over others – ready to make your impact on the world.

## Experience is key

Work experience amplifies your learning and hones your hands-on skills. You'll have every opportunity to gain practical experience, whether through clinical placements, fieldwork, study tours or internships built into your studies.

Our students have interned for multinational companies such as ABB Group, Accenture, British Telecommunications, Dyson, ExxonMobil, F&N Coca-Cola, IBM, Intel, KPMG, Nestlé, Petronas, Shell and Unilever.

## Networking for success

Networking can open many doors for you. Participate in internship fairs, employer networking sessions, career seminars and workshops by industry professionals throughout the year.

## Be supported, always

Our advisers can help you plan your career and provide resources to ensure you maximise your employment prospects. In your final year, you can sign up for our mentoring program and connect with Monash alumni for career advice and insights.

## MEET OUR GRADUATES

Monash graduates have gone on to rewarding and diverse careers around the world. From doctors and scientists to activists and community leaders, they are making their mark in their chosen fields.

**Joel Neoh** is best known as the founder of Groupon Malaysia and Fave. He is also the co-founder of REV Asia, Malaysia's largest digital media group. In 2013, he was recognised with the Malaysian Service Medal by the Prime Minister and named one of Asia's Top 10 entrepreneurs and Young Global Leader by the World Economic Forum.

**Bryan Loo** sparked the bubble tea's surge in popularity when he brought the Cha Time franchise to Malaysia. He is the founder, CEO and Managing Director of Loob Holding Sdn Bhd. His flagship brand Tealive operates over 500 outlets globally.

### BUSINESS AND TECHNOLOGY

**Tan Sri Dato' Dr Abu Bakar Suleiman** is Malaysia's former Director General of Health. He most notably developed Hospital Kuala Lumpur's nephrology, dialysis and renal transplantation services, and introduced a network of dialysis centers across Malaysia. He's currently the Chairman of IHH Healthcare, Asia's largest private healthcare group, and President of IMU Group.

**Professor Dato' Dr Adeeba Kamarulzaman** dedicated her life's work to the prevention, treatment and research of infectious diseases and HIV/AIDS. She is the Chair of the Malaysian AIDS Foundation, Co-Chair of the WHO Science Council and Commissioner for the Global Commission on Drug Policy. She received the Merdeka Award in 2008 and Mahathir Science Award in 2007. In 2023, she was appointed the President and Pro Vice-Chancellor of Monash University Malaysia.

**Dato' Dr Rozali Wathooth** is one of Malaysia's pioneering cardiothoracic surgeons. He founded the country's first open-heart unit at Hospital Kuala Lumpur in 1982, where the first open-heart surgery was performed in April and the first coronary artery bypass in October. He went on to start the country's first private open-heart unit at Subang Jaya Medical Centre.

### HEALTH AND EDUCATION

**Safaath Ahmed Zahir** is the Communication Strategist for the Ministry of Foreign Affairs in Maldives and a leading women's rights activist. She is the founder of Women and Democracy and co-founder of Women on Boards. She was named one of Forbes' 30 Under 30 in Asia and recognised by the United Nations for her work in 2017, and presented with the Queen's Young Leaders Award in 2016.

**Tan Sri Hamidon Ali** is the former Ambassador of Malaysia to the United Nations and the first Malaysian to be appointed President of the United Nations Economic and Social Council.

**YB Tuan Lim Guan Eng** is a current member of the Parliament and former Minister of Finance and Chief Minister of Penang.

### GOVERNMENT AND LEADERSHIP

**Kimberly Wan** is a figure skater and national ice hockey player. She is the Malaysia Book of Records holder for the 'Youngest female to achieve the highest skating level in Malaysia' and was the first Malaysian linesman to officiate the Women's Challenge Cup of Asia tournament in 2013.

**Jasmine Suraya Chin** is an actress and television host best known for her work in the 2018 Malaysian action film PASKAL.

**Nana Al Haleq** is a celebrity fitness coach and TV host of several fitness programs.

### SPORTS

### MEDIA AND THE ARTS

**Join a student club (or two... or three)**

Choose from around 60 student-run clubs and societies to meet like-minded friends or try something new. If you can't find a club that you like, we can help you start a new one.

**Go for gold**

The Monash Cup is an annual multi-sports event where four houses compete in about 20 sporting games and activities ranging from badminton, chess to cheer.

**Stay active**

No matter your level of fitness or commitment, we've got you. The Monash Sports Centre offers an open field and courts for badminton, futsal, basketball, handball and more. You'll also find a gym and a rock climbing wall.

**Sign up for workshops and competitions**

Gain even more learning opportunities by attending workshops and challenges organised by schools, clubs and industry partners. This is a great way to build on the skills you've learnt in the classroom.

**Celebrate diversity**

Having a diverse student population on campus means coming together to celebrate various cultures and festivals around the world. Don't miss events such as the One World Festival and Cultural Night.

# A VIBRANT STUDENT LIFE

Live your life to the fullest at Monash. When you're on campus, immerse yourself in the exciting events and opportunities available all year round to create memories and connections that'll last a lifetime. Here's a glimpse of what you can do.

Photos contributed by the Monash Gazette.

## Represent your peers

Run by reps elected by the student body, the Monash University Student Association is responsible for supporting and protecting the interests of fellow students.

## Learn something new

Engage with high-profile thinkers, leaders, policymakers, academics and experts on a wide variety of topics at events such as the Sir John Monash Lectures and more.

## Check out the bazaars

Fill up on delicious local dishes and delicacies at food bazaars or get yourself a bargain at flea markets organised by various clubs and societies.

# YOUR OVERSEAS ADVENTURE

Take the leap and broaden your mind.

Transfer or exchange opportunities are open to you up until your third or final year. When you choose to study overseas, it's more than your surroundings that change – you'll experience new cultures and enhance your global perspective. And you'll still be paying your regular Monash course fees.

- Go on an international exchange to any of our 140+ partner universities around the world
- Spend a semester in Melbourne with our Global Intercampus Program
- Get a taste of adventure at Monash Prato Centre in Italy
- Use your semester breaks to go on short study tours overseas
- Build an international professional network with our Global Discovery Program
- Work on cutting-edge research projects in research laboratories around the world.

# YOUR CITY

Malaysia's lively capital city has something for everyone.

Home to a diverse population of various ethnicities and cultures, Kuala Lumpur is a safe and friendly city that will welcome you with open arms. It offers an abundance of flavourful cuisine, vibrant festivals and heritage traditions to experience. You'll always have places to go, people to meet and treasures to discover.

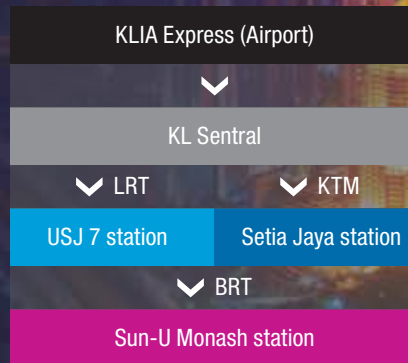

## Cost of living

Your expenses will depend on your lifestyle choices, but Malaysia is generally an affordable country. As a guide, most students will spend around RM1500 to RM2500 per month. You can get by on a tighter budget by sharing accommodation, eating in, and taking advantage of student discounts at shops and restaurants.
